

Submitter: robert nisbet

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB110

I oppose SB 110-A to add another \$800 million plus who knows how much interest for a baseball stadium. All kinds of staff and player taxes get diverted away from community needs to pay for a stadium? Unbelievable! Please make Oregon revenue available for schools, highways, state parks, the homeless, just about anything than a baseball stadium. The \$200-\$300 million allocated for this project is ENOUGH!

Sincerely,
Robert Nisbet
