SB243

You and I know this is lunacy. Its so poorly thought out. It creates a hideous maze on entangled rules that i will lead to what happened in Australia. It will have zero impact on gun related deaths or use by criminals. Its a stupid as trying to control bows and arrows. No politician for this Bill will get my vote. In states with more lenient gun control programs, crime rates are down. This is a left wing attempt to gain complete power over the people.
