

Submitter: Walter Lersch

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB238

All drone surveillance should be accompanied by an appropriate court order. In instances where it is impractical/impossible to get a timely court order, one should be obtained promptly afterwards.

Any/all drones used for these purposes must be unarmed.

Any/all information collected must be available via standard public information requests.

Conflicts with other statutes need to be addressed/corrected.
