

Submitter: James Walz
On Behalf Of: Common sense Oregonians
Committee: House Committee On Rules
Measure, Appointment or Topic: SB243

I will waste my time submitting testimony that will be COMPLETELY ignored by the ruling party in Oregon's legislature. I oppose SB 243 on the grounds of common sense. But then, you people have already made your mind up and will vote this intrusion into the private lives of Oregonians. You are the people that Trump is running a dictatorship, when you have perfected that mode of leadership. Shame on you, you exemplify the communist party in Oregon.
