SB243

I am writing in opposition to SB243.

I must first say i can't believe we are even at this point. If you can't see that this bill does nothing else but punish law abiding citizens than you honestly have no business being in any form of government. I don't state that as a form of anger. I am being serious. The super majority of Oregon doesn't care about my testimony. But at least you can do is admit you want your tyrannical government and oppose guns. Just admit it, because there is not a criminal around that will follow your laws.

This state is out of control, and if you can't see that, then chain you should not be serving. You are there to uphold the constitution and not infringe on it. But yet again this falls on deaf ears. This state wants all of your money and all of your rights. Sounds like communism to me. Don't call Trump that when this state is the definition of it.

Listen to your constituents for a CHANGE, good grief.
