

Submitter: Darlene Vedder

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I have lived in Oregon all my life. I have never seen thing this bad. The taxes we pay out of our paychecks are already astronomical.

I definitely Oppose anymore taxes. We work just to pay you, never mind trying to keep a roof over our head, and food to feed our families.

Enough with the taxes! Signed going broke in Oregon
