On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

There is only one reason politicians keep pushing this issue, control. It never ceases to amaze me that they do not understand our Constitution and our bill of rights, or maybe they do? What part of shall not be infringed do you not understand? I suggest you go pick up a history book and educate your selves on this issue. You work for us not the other way around. Sincerely; We The People.
