Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

I urge lawmakers to vote NO on this bill as this only criminalizes legal gun owners further and restricts where they can be. I live near 4 schools & 3 day care centers and this law would prevent me from walking through my own neighborhood.

All gun laws on the docket should be tabled as the country as a whole is moving towards a fascist dictatorship. All these bills do is make it easier for federal forces to move in on democratic states with little resistance.
