Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

SB 243 in its -13 Amendment is unacceptable and will do nothing to prevent acts of violence in our state. This only punishes the law-abiding citizens and will continue to strip us of our rights. This is an unfunded mandate and puts lives at risk. Proposed and funded by orgs that have never had a viable solution. Do the right thing and oppose this bill.

The Oregon State Supreme Court is taking up Measure 114, and we will win on appeal.

Thank you!
