

Submitter: Vicki Brown

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this measure! You have got to start paying attention to the people that you represent. Not only our families moving out of this state, but businesses are leaving. You are driving them out. You are making it harder than ever to support a family by burdening us with these taxes. Please start caring about us.
