Measure, Appointment or Topic: SB1196

I am writing in support of SB1196. I ask the Senate Committee On Finance and Revenue to pass this small, but important legislation. In many respects, Oregon is the home the nations fitness movement. It is a shame that a legal quirk is now making Oregon one of the least desirable states to offer fitness services. SB1196 offers a common sense solution and brings Oregon back into line with every other western state.
