Measure, Appointment or Topic: HB2025

Dear Committee,

I am in opposition of HB 2025. This bill puts an unacceptable tax burden on all the people of Oregon. In the current economic environment, this is not the time to implement an addition \$1 billion tax burden on Oregonians. Rather than asking for the people to hand over money, ask ODOT and government leaders to be accountable for their spending and show where the current funding is going. Is it going to essential transportation projects or to feel good projects. I have very little confidence in Oregon's ability to manage tax payer dollars.
