Measure, Appointment or Topic: HB2977

I'm writing in support of this bill. The increase of the tax is about the same as a cup of coffee. It is vital that this bill is passed. Oregon's wildlife and it's habitat is in desperate need of protections. Our wildlife and wild lands are a big part of the state's revenue from visitors. People travel from all over the country/world to visit the wild areas. This bill will also provide an investment for future generations. Again, please vote for the passing of HB 2977. Our future depends on it.
