

Submitter: Beatrice Frederickson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB2977

Please support HB2977. The revenue received due to its passage will help Oregon wildlife have a better chance of surviving in these current times of population increase and possible changing climate. As a result of passing this measure, funds can be provided to help with habitat loss and measures that will recognize the importance of Oregon wildlife and their needs. Thank you! Beatrice Frederickson
