

Submitter: Diane Ellison

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I strongly state that Oregonians cannot afford these taxes. Nor, should they be needed. The current leadership has mishandled the money we do give them. Do better!! More people will leave and the state will have a substantially reduced tax base. Wake up Oregon leadership! Quit squandering the money we do provide! Vote NO on HB-2025!!!!
