Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

As a car-free Oregonian, wiping away all the consensus built for the previous bill to give us a bill that would gut public transit and all other non-car funding is a complete abandonment of a huge segment of our state, including children, the elderly, disabled people, and those who cannot afford \$1200 a month in car-related expenses. Vote no on this bill.
