

Submitter: Abra McNair

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

This bill does not represent our state or the people who live and breathe here. It's a disappointment, it's underwhelming, and Oregon can do so much better than this. I support better transit and safety and access for people. I don't support this last minute bill that undermines all the great things about our state. This bill is not what Oregonians want or need.
