

Submitter: Henry Honorof

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

I urge all committee members to oppose HB 3402 and instead support HB 2025 - 28A, to ensure that Oregon can remain a place where workers, seniors, and families can safely walk, bike, and use public transit for transportation options rather than only relying on costly and unsafe care travel and sisyphian highway expansion.

Thank you.
