I oppose HB 3402, just as I opposed HB 2025. Why on earth would the people of Oregon essentially write a blank check to ODOT, who has proven repeatedly that they're unable to manage their budget?? I also do not support the governor to appoint a director that Oregonians would actually trust, but I wouldn't trust her with a gold fish, so she certainly can't be trusted to take out the trash.

Again, I opposed HB 3402, the poor attempt as a replacement for the equally terrible HB 2025.
