Measure, Appointment or Topic: HB3402

Dear Legislators,

I urgently beg you to oppose HB 3402-03.

This measure exclusively provides for ODOT and ODOT jobs only. Yet every transportation system in the state is in dire need of robust support.

Please protect Oregon workers by sternly rejecting this flawed measure and instead, work toward a fair and balanced resolution to HB 2025—the only path forward that does not leave cities and counties behind. It is absolutely imperative that all transportation systems in the state receive proper funding and rightful support.

Sincerely,

Alan Stoops
