Measure, Appointment or Topic: HB3991

To Whom It May Concern;

As a 60 year resident of the state of Oregon I am begging you to defeat this legislation. We have been taxed to the very limits of our tolerance. I am absolutely certain that the roads and the hard working folks who repair them will not suffer from the defeat of this bill as long as peoples feet are help to the fire and proper budgeting of the available funds is used.

Please, please, I urge you not to saddle us with yet more taxes. Please defeat HB 3991. Thank You.

Sincerely,
