To whom it may concern,

I am an Oregonian, right in the heart of Salem Oregon. I was raised in a middle-class family that has always struggled to get ahead and stay ahead. Nothing is more disheartening than watching this state crumble to pieces and expecting the working class to put everyone on our backs! We are FED UP!!! These purposed tax increases are just a slap in the face of us all and show that there is no cap when it comes to this leadership team taking and taking. How can you budget 138 BILLION dollars and not have enough for ODOT? How long are us citizens supposed to bend over and continue to pay for leadership mistakes??? When do we get to put our foot down and say enough is enough. This tax bill is another level of disrespect to Oregonian's and are why we are seeing these major corporate companies leaving. And to not show up to your own public hearing? DISGUSTING.

Please vote no on HB3991 & 3992, save the working class!!!
