I absolutely completely and totally oppose any and all new and/or increased taxes, fees or other or related from the people of Oregon. ODOT must reallocate their current funds and live within their current budget, which has grown exponentially faster than the budgets of Oregon citizens. ODOT must be held accountable for their waste and fiscal mismanagement and return to their core duties, eliminating all non essential programs. I do not support enabling irresponsible behavior nor actions on the part of elected, appointed, hired or contracted representatives of any government body. Vote NO to any/all increase in budget, taxation or fees.
