To the Oregon Legislature and Governor Kotex,

No more taxes without representation. The people of Oregon are supposed to have a voice in decisions that affect our lives — especially when it comes to raising taxes. You are not our overlords. You are public servants, funded by the very taxpayers you continue to burden.

We demand:

No new taxes without a vote of the people.

An end to vote-by-mail, which has destroyed trust in our elections.

No tolls on our roads. Oregonians are already taxed at nearly every turn.

No more benefits for illegal aliens. Take care of your citizens first.

Real accountability. Try living on \$22,000 a year like so many working families do before you vote yourselves more spending and giveaways.

We are tired of being taxed, ignored, and dictated to by career politicians who seem more concerned with protecting their power than protecting the people they represent. Oregonians deserve a government that listens, respects the Constitution, and puts citizens first.

The people are watching, and we will not stand by quietly while you continue down this path. REMEMBER YOU WORK FOR US!!!!!!

Respectfully,
tammy mittig
