Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

I find you RINOs as despicable as Kotek and Democrats. Like the passage of the Federal Reserve in 1913, you try to pass legislation by sneaking it in??? You should all be fired.

I have watched as your constituents have been poorly represented for decades. The highest fees and taxes are being forced upon us by a rogue Governor Kotek, Democrat majority, and RINO traitors. We have plenty of money some that has been misappropriated or mismanaged. I don't know where all these millions of dollars are going? Bureaucrats, elected officials, NGOs, stolen? ODOT and all departments need DOGE! These are outrageous fees and taxes. This is the Big Beautiful Bill in reverse. It is not Trump and tariffs that are raising cost of living, it's you that continue to vote these fees and taxes. All while no accountability! Plus you hold us hostage by taking essential services like street plows, road repairs, and more, hostage!

You are all more concerned with illegals, Gender Dysphoria, and a list of ridiculous things. Leave our farmers alone. Leave our guns alone (I don't own one). Leave our water alone. Pay more attention to a budget, crime, and redistribution of the funds you have.

God bless all Oregonians and thank you for your time.
