I am in opposition of this bill and urge a no vote for the health of Oregon. Simply put we can not with stand this kind of tax personally or for business. I we are 4th generation Oregonians but I can say we have had enough of the Miss Managment that has consumed our state over the last several decades, Our leadership has become so misguided at every level it is hard to even know what our state used to be and this bill is a shining example of the foolishness that continually comes out of Salem now. As many have we to have liquidated our holdings in Oregon and moved them out of state and if this bill passes we will consider moving the remainder of our family and holdings from the state. You will force have forced us to leave our beautiful Oregon our home. So I urge you to vote no on this bill for the sake of our home for the sake of our Oregon.
