Funding

Measure, Appointment or Topic: HB3991

Hello:

I strongly oppose this tax bill, Oregon has enoight revenue coming in if someone would take the time to see where all the wastes are going. With all the Increases of cost of living and state and county taxes increases this additional tax would cripple Oregon all around.

Since ODOT can't seem to balance there ledgers this will just be a band aid for what will really happen to the economy in Oregon if this passes.

Please vote no!

Thank you

Candie Fuller
