Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

This needs to be thrown out this will hurt Oregon tax payers more then it already does, Oregon needs not to spend money like it's pouring out of a tube I know myself as a business owner if I did that we would be out of business. We have to be mindful of what our spending is just how governments should do with the money that is already stolen from us now you guys want to take more this needs to stop!!
