please by all means don't let this pass i am a single father of 2. i am already working 2 jobs just to keep food on the table. it just breaks my heart to tell my kids we can't go see there grand parents because we can't afford the gas to get there. i am scraping by and having to live in my budget why can't odot. i can't understand why the state government is trying to take more from its citizens that we don't have. where is the compassion please don't pass this. don't do it for me do it for the kids so they have a chance to enjoy childhood before it's gone
