To all legislators and Queen Tina and her Nepo wife,

It's getting harder and harder to be nice with words when we see the tricks and deceit you do to get your ways for your personal agenda and wealth.

We the people have overwhelmingly spoken multiple times and we do not approve of this monstrosity of a tax increase!

Even with an audit- we do not trust you since the last audit found that around 1 billion dollars of our tax dollars disappeared with no accountability.

You are stewards of our hard earned overly tax income dollars and you blew it. You need to figure this out without raising our taxes.

This tax will crush families and small businesses.
