It's simple....NO! No more taxes! ODOT's incompetence is not our fault or problem. Oregonian's are already being taxed out of this state. It's easy to spend someone else money. But there are consequences to that. Like more poverty. People leaving who can afford to leave. You're going to tax people until there isn't any more and the problem isn't fixed.

I believe this can be fixed without more taxes from people who can't afford it.

DO THE RIGHT THING!!! Do your job!
