Love to be there in person but you have purposely put this on the calendar to keep your constituents away from seeing their many angry faces! Again, as I submitted written testimony when it was a LC, no means NO NEW TAXES! You will be reducing the tax base if you pass this and people will be already fuming at the gas pump! We the People are sick and tired of the government waste and not being accountable for what they spend! Live within your budget and cut the fat like we do! I am telling you now, people are leaving this state now and you will just solidify anyone's doubt to leave this overtaxed state so please vote NO!
