Chairs Wagner & Fahey, Vice-Chairs Bonham & Drazan, Members of the Committee,

I write today in opposition of HB3991.

This package is an unnecessary money grab. ODOT needs to live within its means like Oregon families must. I asked, during the discussions about HB2025 and again during HB3402, for ODOT to be audited, have unnecessary budget line items cut and reprioritize spending to keep the boots on the ground workers at work and projects moving forward within the revenue currently received. I ask for this again.

Consider the Republicans proposal. DO NOT RAISE OUR TAXES. Oregon families simply CANNOT AFFORD IT. Please vote NO on HB3991
