VOTE NO. People are leaving the state. Businesses have left the state and will continue. Taxes are too high, which means cost of living is too high.

ODOT has been full of scandal & mismanagement. An audit won't cut it. People need to be held accountable -- justice -- fired, convicted, fined, jailed as appropriate.

No exceptions for political buddies. We the people have to live within our means. Government needs boundaries and must live within means, strictly limited. Stop the credit-mentality insanity.
