Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

My testimony: Members of the Committee,

I urge you to vote NO on HB 3991, or what ever iterations are conceived to extract more money from Oregonians.

Do you know why businesses are leaving the State or simply closing? Do you know why higher income families are leaving the State? The answer is simple; the taxes are too high, the business environment is hostile and the ruling party shows only contempt for the taxpayer.

This would be a good time to reflect on the sorry state of Oregon and show some good sense by killing this monstrous theft of our money.

Respectfully
Jacquelin Muro
