Measure, Appointment or Topic: HB3991

I am writing today to simply say., do not pass this legislation.

You take enough of our hard-earned money. You can't manage what you take.

The governor has the money in reserve to make this happen. You folks in Salem work for the people.

Remember that when you come asking for my vote.... Especially any Republicans that give quorum

and vote yes on this.

I know you'll do the right thing.
