Measure, Appointment or Topic: HB3991

I oppose raising taxes at this time. Instead I encourage you to consider changing legislation so that current funding be redirected towards repairing our current roadways and bridges. Safety first should be the priority.

Raising taxes and doubling fees will only further hamstring Oregon citizens who are already struggling to make ends meet. The proposed tax and fee increases will force a mass exodus of Oregonians. People are preparing themselves to leave the state due to the high cost of living.
