Measure, Appointment or Topic: HB3991

I'll make this VERY short. We cannot afford this bill.

There is no way to make more money suddenly appear in our household budgets to cover ODOT's mistakes.

Please vote NO!

Go back and audit the books. Cut waste. Cut extra management. Make cuts, just like we have to do to afford rising costs of everything. We have nothing left to cut in our household budgets.

For once, PLEASE listen to your citizens, and vote NO on HB3991!
