Kotek's proposed bill is flawed and there is a better way to keep ODOT workers without raising taxes. I hope that ODOT listens to what BOTH political sides propose to solve this ODOT budget shortfall. The gas tax and registration fees were increased from the last session and Democrats are right back to increasing fees and adding more taxes! ODOT needs to get back to CORE operations, roads. The climate and bicycle programs are nice to have but they are not something all Oregonians rely on. Roads are!
