No new taxes!! The Oregon people are being taxed right out of the state. I personally know so many people who have left in the last couple of years. We can't afford this! I can't afford this. Oregon can't afford this. You're losing your constituents. Don't do it. Stop being so flippant with other people's hard earned money, learn to live within the budget. And root out the corruption! No. New. Taxes. The people are supposed to be able to vote on all taxes, you are circumnavigating this basic rule of law. Cut it out!
