No means no. Stop with the taxing. And in dark of night on a holiday weekend, no less. The optics of that can only be described as sketchy, and that's being kind. Just know, We the People are watching. A yes vote on this malarkey will result in a no vote for those casting it at the first available opportunity. Cut the equine fecal matter before DOGE has to come in and do it for you. And, just in case you are unclear as to where we stand...NO MORE TAXES!
