This budget is already 17,000 million higher than the last budget and yet you have shortfalls? No New Tax. We are all struggling with an economy destroyed by government spending. Just stop. We see the waste of agency's such as health and human services. We know ODOT wastes money with designated money for frivolous projects. It's "different pockets on the same pants." Stop these silly projects. Be serious with the public purse and prioritize projects.
NO NEW TAX.
