We the constituents can not afford more taxes. We are struggling to get by as it is. ODOT needs to stick to their budget without consistently holding their hand out for more funds. Many projects have gone way over the proposed amounts. Stick to the basics. Reallocate the DEI funding of 30million to basic services. We don't care about the pet projects. We do care about road maintenance and upkeep. Please help us survive this economy by saying NO to more taxes.
