

Submitter: Krystal Marshall

On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

The fact that this is being split into 2 bills after over 300 written testimonies is a joke. The people should not be funding poor budgeting by the state. The democratic and republican parties are corrupt (looking at you Cyrus and I will be telling everyone know about how you are not representing them)

This state needs accountability because they are not for Oregonians. They are for themselves.
