Measure, Appointment or Topic: HB3991

Chair, Vice-Chair, and Members of the Committee:

My name is Md Sharikur Rahman, and I live in North Plains, Oregon. I am submitting this testimony as a citizen in support of HB 3991.

Like many Oregonians, I care deeply about how our transportation system is maintained and funded. ODOT plays a vital role in ensuring safe roads, reliable travel, and efficient use of taxpayer dollars. At a time when budgets are tight and confidence in government is being tested, I believe it is important to have clear and independent performance audits of ODOT.

This bill will help bring greater transparency and accountability, while also giving the public reassurance that funds are being managed wisely. I want to see Oregon's transportation system succeed, and I believe HB 3991 is a step in the right direction to strengthen both oversight and public trust.

I respectfully urge your support for this measure. Thank you for your service and for the opportunity to share my perspective.

Sincerely,
Md Sharikur Rahman
