Funding

Measure, Appointment or Topic: HB3991

Dear Chair and Members of the Committee,

My name is Laizu Akter, and I am a resident of North Plains, Oregon. I am writing today as a concerned citizen to voice my support for HB 3991.

ODOT has a big responsibility in keeping our state's transportation system safe and functional, but like any large agency, it should also be open to review and improvement. Performance audits are a fair and practical way to identify what is working well and where changes are needed. They provide transparency, ensure accountability, and help build public confidence in how transportation funds are being used.

I believe HB 3991 will not only help strengthen ODOT, but also give everyday Oregonians like me greater trust that resources are being managed wisely during challenging times.

I respectfully ask you to pass this bill. Thank you for considering my testimony.

Sincerely,

Laizu
