Dear Elected Representatives,

Our family is shocked that this is going forward. It is not a partisan issue. So, many have written you. This is my second time. My husband and our son are totally opposed and concerned about these taxes and fees. We are working class Oregonians. Perhaps it doesn't affect you or affluent people. It's going to affect Oregonians tremendously. One example is smaller business owners that need more than one vehicle to do their work. Please hear us. We are beyond disappointed. I have watched the live stream of testimonies and it was shocking that you are continuing after so many types of people have spoken up besides them making the effort to get to Salem.

Earnestly,

Joanna and Greg Pecoraro
