NO NEW TAXES AND FEES! Work within your budget like Oregonians have to. Raising fees and taxes when our state is in such disfunction will force everyday citizens to leave. As a senior on a fixed income, I already have a very difficult time making ends meet. Being on SS means I am limited in how much I can work to make extra money to stay in my home. You have options that don't require these taxes and fees. Accepting these options will show the people you are for them and it will greatly improve people's trust in you. We all see you can use a boost in your approval ratings TK.

Stop gaslighting and do the right thing for your people.
