I strongly oppose this tax and fee increase. My wife and I both work full time to support our 2 school aged children. After paying our bills and after school programs we have no money left. We simply can not afford for you to take more from our family.

Here is a list of taxes we already pay our fair share.

Fed income, SS, Medicare, OR income, or transit, or paid leave. Property tax (increases every year). Not to mention every utility bill has several pass through taxes.

When my fence blew over last winter I had to replace it. When the bill came I could not go to my boss and take an extra income to cover my cost. We had to make cuts other places. I urge you to find other areas to cut to cover your budget shortage.

I oppose hb3991 and urge a no vote. The people can not afford to pay more.
Thank you
