Funding

Measure, Appointment or Topic: HB3991

We are tired of all the underhanded ways of getting funding! This is one of the worst. If you would take the funding from illegal aliens and other useless programs and use it correctly there would be plenty of money.

Stop abusing Oregonians! Use the funding you get wisely. And yes live within your means! Just as we have to.

This is my state since birth and I am appalled at what it has become. Get it together Kotec! No one can afford to pay anything else!

Yet another example of needing business minded people vs politicians!

Sincerely tired of the waste at the capital,

Alice Stewart
